TIMBER PRODUCTS INSPECTION, INC.

2018

CERTIFICATE OF MEMBERSHIP

Be it known to all parties that:

Vista Manufacturing Inc.
Walker, MI
Mill #: (16) 9191
Member Since: 7/6/2017

Is a member in good standing with Timber Products Inspection's Heat Treatment (HT) Program which is accredited by the American Lumber Standard Committee, Inc. (ALSC). This facility is in compliance with the International Plant Protection Convention's ISPM 15: *Guidelines for Regulating Wood Packaging Material in International Trade.* In doing so they have agreed to the following:

1) Maintain complete and up to date Heat Treatment and chain of custody records.
2) Produce and market quality products, which conform to ALSC standards and regulations including HT standards (a minimum of 56° C at the core for at least 30 consecutive minutes) and debarking requirements according to the specified end use.
3) Apply the authorized Timber Products Inspection (TP) mark only to products which have been proven through applicable monitoring.

Matthew D. McGowan
Wood Packaging Material Program Manager
